

DO YOU OPERATE HGV'S IN LONDON?

DON'T WAIT UNTIL THE LAST MINUTE, GET COMPLIANT TODAY AND AVOID THE FINES

ARE YOU READY FOR DIRECT VISION (PSS) on 28th OCTOBER?

WHAT HAPPENS IF MY VEHICLE ISN'T COMPLIANT IN TIME?

TfL have announced an option to apply for an extension on an individual basis if you are unable to meet the deadline.

The proposed grace period is not a guarantee so we recommend ordering a Direct Vision PSS system ASAP to avoid last minute panic and incurring fines for non-compliance.

Evidence must be provided to TfL to confirm system purchase and scheduled fitting. If you qualify for the grace period you will have until May 4th to fit the system.

Failure to purchase and fit a compliant safe system before 28/10/24 without an authorised extension from TfL will result in a daily fine of £550
